Spoonbill*

*White-faced  
Heron*

*Thank you  
for not  
feeding us  
bread!  
Admire &  
count us  
instead.*

## SPRINGFIELD LAKES NATURE CARE

*"Caring For Nature today - for tomorrow"*

Did you know that bread makes us ill as it does not contain the right nutrition or calories needed to keep us healthy. Rotting bread pollutes our water and causes nasty surface algae, which causes fish to die and gives us diseases.
